

2023 Ladies Golf Season

The Nifty Niners

We are a golfing group for women of all skill levels. We play nine holes of golf each Tuesday morning and offer a fun experience on the course, and lasting friendships. Our season begins in late May with the opening of the Grand Lake Golf Course. We play an informal "Show & Go" game until the regular season begins and then play on a sign-up basis.

If you would like to join us, please fill out the bottom of the page. Your payment covers Nifty Niners dues (\$25.00), which covers prize money and other expenses.

If you wish to renew your Colorado Golf Association (CGA) membership to maintain your handicap, please also include \$35. Please note that your previous CGA membership will, by requirement, be cancelled shortly before April 1. After that date you'll need to keep your scores manually until your membership can be renewed.

Make your check payable to "The Nifty Niners" Mail your check by May 1 to:
